

## Acoustic Consultant – Full Time

---

JTA Health, Safety & Noise is a small OHS&E consulting firm that has been operating since 1988. Our focus has always remained the same – objective assessments of risks and the development of practical solutions. Our core mission is to provide Occupational Health and Safety and Environmental services of the highest standard. JTA specialise in Occupational, Environmental and Building acoustics.

Due to our growing client base and increasing demand for our acoustic services, we are seeking an Acoustic Consultant to join the team and assist with day to day consulting responsibilities. Previous experience will be looked upon favourably however, recent graduates will also be considered for the role.

### To be considered for this position you will have:

- Flexible, versatile, adaptable with a good sense of humour with a positive outlook
- Well-developed organisational and time management skills
- Able to work independently on complex projects, and within a team environment
- Well-developed report presentation, written and personal communication skills
- Attention to detail

### Responsibilities & duties of this role include:

- Technical duties (monitoring, modelling and analysis)
- Report preparation
- Project management
- Internal and external meetings with colleagues, clients and authorities

### Requirements:

- A tertiary degree in Engineering/Science or similar
- An understanding of acoustics and noise control principles
- An understanding of relevant acoustic standards and legislation
- Advanced use of MS Excel and Word
- Current Australian Drivers Licence and Permanent Resident

### Ideal Skills – Experience in all or any of the following will be looked upon favourably:

- Noise Modelling
- Vibration monitoring
- Industrial Noise Control
- Macro development using excel

### What's on offer?

- Competitive salary package, commensurate with experience
- Ongoing training, career progression and leadership opportunities available
- Full-time position with an immediate start
- Melbourne Bayside office location
